(to get access to NDA projects, please contact me)

I graduated from All-Russian State University of Cinematography named after S. A. Gerasimov), a.k.a. VGIK in 2012 as concept-artist of feature film, Viktor Petrov's workshop. I am Ph.D. in History of Arts since 2016. From 2010 till 2015 years i worked as concept-artist at feature films and TV projects. Since 2014 i have been working only in animation industry.

As a director, i am engaged in full cycle development and production of 2D/3D-animated shows. I create concept and bible of the show, draw storyboards and edit animatics, work with actors, artists, sound designers, editors.

As an artist, i create the visual identity of the show, create characters and background designs.
